

DURAVAC
NOTHING IS TOUGHER

MODEL
EU VH640

107L HEAVY DUTY WET & DRY VACUUM

With 3 powerful vacuum motors, and an impressive 107L high impact waste tank the EU VH640 is ideally suited for industrial applications. Featuring a sanifilter this vacuum provides an additional level of cleaning protection by helping to inhibit bacteria, fungus and other potential contaminants.

- Practical tip trolley frame with durable wheels for easy moving and emptying
- Superior suction performance even when using extra-long hoses
- Heavy duty construction picks up both wet and dry materials

SPECIFICATIONS
